

Golf Course Superintendent opening at The Peninsula Golf and Country Club

The Peninsula Club is the first exclusive golf community in Delaware. Set on more than 800 acres abundant with natural vegetation and wildlife near the popular Mid-Atlantic resorts of Rehoboth and Dewey Beach, The Peninsula features a Jack Nicklaus Signature Golf Course; Jacks' first private-project in Delaware. Seven holes of the golf course are set dramatically along the Indian River Bay and Lingo Creek, and set the tone for a memorable experience at The Peninsula.

Ideal candidates will have a genuine passion for golf course management. As the Golf Course Superintendent, you will be responsible for overseeing all maintenance and agronomic practices associated with the golf course and adjacent grounds, including the application of fertilizers and plant protectants on the club grounds. The club grounds and landscapes are otherwise mown and maintained by the Building Maintenance department. Previous supervisory experience is required but qualified assistant superintendents will be strongly considered
