

Manor Country Club, located in Rockville, Maryland, is currently seeking an Assistant Golf Course Superintendent.

Description: Established in 1922, Manor CC is a private, family-oriented club dedicated to top-quality course conditions. The club includes 27-hole of golf, 10 tennis courts, and two swimming pools.

The original course was designed by William Flynn. In 2005, the Championship 18 was renovated by Arthur Hills, with A1-A4 bentgrass USGA-spec greens, L93 bentgrass tees and fairways. The Harry Pitt executive 9 has Bent/Poa pushup greens and Bermudagrass fairways and tees. The position will provide exposure to many different grass types and their varied management needs.

Position: Manor Country Club is looking for a highly motivated individual that has a great passion for the turf industry. Must be able to work in a team environment, manage and prioritize the daily tasks of the crew, have strong communication skills, and a good eye for detail. Oversee chemical/fertilizer applications as well as irrigation repairs. The Assistant Superintendent will be involved in all facets of the golf course maintenance operation, including budgeting, purchasing, daily course set-up, water management, and project management. Seeking candidates of any skill level.

Recent or upcoming graduates are encouraged to apply.

Education & Qualification Requirements:

- 2-4 year degree in turf management or related degree
- Maryland Pesticide and Fertilizer Applicator License, or ability to obtain within 6 months
- Spanish literate a plus
- Valid driver's License

Salary: \$65,000 - 75,000 dependent on experience and qualifications

Benefits:

- Medical, dental, and vision insurance
- Paid annual vacation and sick leave
- 401 (k) with employer match
- Paid Dues for memberships in GCSAA and local association.
- Golfing privileges
- Uniforms and meals provided
- Possible housing/relocation assistance
